DD/R - Organization

Memo to DCI
From: Scoville

S

DD/R-266-62
20 June 1962

25X1

Reports on delays in carrying out DCI's guidance in organizing DD/R:

DPD - On 16 Apr 1962 [] transferred [] and its supporting elements to DD/R. Transfer of individuals and T/O strength held up due to

[] transfer awaiting signature of a formal agreement between DD/R and DDP.

A certain few administrative slots being arbitrated by DD/S.

TSD - No transfers of functions or projects agreed to date.

Development of R&D establishment in any area of interest to the Agency -- approved by the Exec. Director and concurred in by the A/DCI stymied until basic role and mission of DD/R established and agreed in conjunction with DDP.

O/C - No transfers or firm agreements on OC R&D activities.

OSI - Transfer of OSI's ELINT activities being effected, possibly by 1 July; remainder of OSI to remain in DDI (according to Exec. Director's draft paper on DD/R responsibilities).

NPIC - ExDir paper approved such a Career Service, but not all under

DDR. Result would be majority of technical people would be under OSI, TSD & OC. DD/R

therefore recommended a watered-down career ~~service~~ council arrangement which would try to improve ~~management~~ of S&T personnel by mutual arrangements among the major Agency components with S&T personnel.

Difficult to conclude recruiting arrangements through O/P due to lack of specific job availabilities.
